14 West 117th St., New York City.
Dear Sir: Oct. 15th, 1901.
"I had been suffering severely from kidney trouble. All symptoms were on hand; my former strength and power had left me; I could hardly drag myself along. Even my mental capacity was giving out, and often I wished to die. It was then I saw an advertisement of yours in a New York paper, but would not have paid any attention to it, had it not promised a sworn guarantee with every bottle of your medicine, asserting that your Swamp-Root is purely vegetable, and does not contain any harmful drugs. I am seventy years and four months old, and with a good conscience I can recommend Swamp-Root to all sufferers from kidney troubles. Four members of my family have been using Swamp-Root for four different kidney diseases, with the same good results.

With many thanks to you, I remain, very truly yours,

ROBERT BERNER.

FARMERS

Indignant at the Thieves

Who Have Been Bothing Them Lately.

A Protective Association May Be Formed.

Farmers who live in the northern part of the county have almost resolved to band themselves into a protective association. Thievery is becoming more and more frequent this fall, and some of them have been of so grave a nature as to cause the farmers considerable alarm. Repeated reports have come in lately to the effect that horses have been stolen. Grain has disappeared mysteriously again and again, and all the thefts thus far have been accomplished so deftly that the victims were unable to detect the visitors.

Mr. Frank Courtney, who resides in Portage township, stated Monday that on one night last week his granary was visited and 25 bushels of oats stolen. Mr. Courtney placed a lock on the door immediately and imagined himself secure from further visits. Despite his precaution, his granary was visited again a few nights later, the lock was broken off the door, and more oats disappeared. Mr. Courtney is one of those who favor the formation of an association which will bound thieves off of the county and see that they are vigorously prosecuted when caught.

HISTORIC

Prison Ship Found by Chance.

For a Century the Jersey Has Been Buried.

New York, Oct. 14.—After lying buried for over a century, the famous English prison ship Jersey, in which several hundred Americans were martyred while the British held New York in the days of the revolution, has been accidentally discovered at the Brooklyn navy yard by workmen who were putting up the launching ways for the battleship Connecticut, which is to be built at the yard. Historical associations have been searching for the Jersey for 50 years, and it has been generally believed for several years by students that the historic vessel would never be found in the vicinity of New York.

The half burned hull of the ship is lying under 12 or 14 feet of dirt and water near the water front at the yard and directly at the foot of Main st. It was several times suggested today that the ruins may be dug out by some historical association. The work could be done, it is estimated, for about \$500.

NOVELTIES,

Live Comedy and Realistic Portrayals at the Grand.

As indicated by the title, "A Sister's Love," the comedy melodrama which opened to a fair house at the Grand Opera House Monday, is full of the "heart interest" which seems to be a necessary component of the melodrama. The piece is well staged, and the company is a capable one and pleased the audience well at the matinee and evening performances of the opening day. There is some clever comedy in the piece, in which Pat Sullivan and Sambo, a black butler are the leading spirits. A novelty in this company is the introduction of some fancy shooting with a rifle which is done by the daughters of the late Colonel Depew, leaders in the action of the play. This piece will be at the Grand Tuesday and Wednesday with daily matinees.

\$50 REWARD

Will Go to Boy Who Arrested a Convict.

Sparta, Ill., Oct. 14.—John Wilson, a 16 year old farmer boy near here, has captured Ed De Jayner, a convict, who escaped from the penitentiary at Chester Saturday night. De Jayner was seen loitering near the farmhouse of Robert Hayes, still in convict's garb. Wilson secured his shotgun and had no trouble arresting the convict. He then marched his prisoner two miles into town and turned him over to the authorities. Wilson will receive \$50 reward.

A WORD TO FARM TOILERS.

Paine's Celery Compound

The Home Friend of the Farmer and His Family In the Autumn Season.

After the labors and toils of the summer time, and harvesting of crops in the early autumn, many of our farmers, their wives, daughters and sons, find themselves in a condition of health demanding careful attention if suffering is to be avoided later on. Many experience kidney trouble in some form; with some the liver is torpid; there is biliousness, nausea and vomiting, with loss of appetite and depression of spirits. Thousands who have been exposed to cold, damp winds and rains while toiling in the harvest fields, now feel the twinges of terrible rheumatism; others run down by worry, overwork and irregular dieting are tormented with the pangs of dyspepsia.

To the thousands of rundown, sickly and half dead men and women in farm homes we recommend with all honesty and confidence the worker's friend, Paine's Celery Compound, the only medicine that can quickly and fully restore strength to the weak body and vigor to the muscles. Paine's Celery Compound tones the stomach; it removes poisonous acids from the blood which cause rheumatism; it feeds the weak and diseased nerves and banishes neuralgic tortures; it purifies the blood and gives true vitality and life. The use of Paine's Celery Compound in autumn means the establishing of a perfect physical vigor to withstand the rigors of a severe winter.

QUEEN LIL WILL VISIT US

Her Influence Is an Important Factor In Hawaii.

Honolulu, Oct. 7, via San Francisco, Oct. 14.—Ex-Queen Liliuokalani will leave here by the Ventura Nov. 11 for Washington, D. C., where it is understood she will press her claim for the crown lands.

What the ex-queen's attitude is toward the candidates for delegates to Congress is uncertain. She has great influence with the natives, and if she gives advice to vote for Wilcox or Prince Cupid, it will practically mean the election of the one she favors. Prince Cupid, who is her fifth nephew, is the Republican candidate. In a speech this week he denied that the ex-queen favored Wilcox.

The ex-queen will not talk on the subject and she claims to be strictly neutral, but her confidential agent, J. O. Garter, has come out in favor of Wilcox.

FREE TO EVERYONE.

A Priceless Book Sent Free For the Asking.

"There be books and books," some edifying, others entertaining, and still others instructive. The average man is so busily engaged in the labor of money-making that he has little time and less inclination for books which instruct; when he feels out of sorts, either he gives no heed to nature's warning, or he consults a physician, at an expense which a little knowledge would have enabled him to avoid. There is probably no little informed, as hemorrhoids, or piles; this little book tells all about their nature, cause and cure; it treats of the different forms of blind, bleeding, itching and protruding piles describes their symptoms, and the way to cure so simple and inexpensive, that anyone can understand and apply. The importance of promptness and thoroughness is vital, for the disease will not cure itself, and Nature, alone, unaided, will not accomplish a cure, while the consequences are too painful for detailed description. You are told how piles originate, the reason for their appearance usually being that some of the rules of correct living have been violated, and (what is more to the point) how you may rid yourself of this base of human existence. All affections of the rectum are treated in simple language, so that all may understand, and learn how the cause may be removed. Many people suffer from piles, because after trying the numerous lotions, ointments and salves that are on the market, without relief, they come to the conclusion that a surgical operation is the only thing left to try, and rather than submit to the shock and risk to life of an operation, prefer to suffer on. This little book tells how this may be avoided, and a cure be effected without pain, inconvenience or detention from business. Write your name and address plainly on a postal card, mail to the Pyramid Drug Co., Marshall, Mich., and you will receive the book by return mail.

(Special Correspondence.)
Barberton, Oct. 14.—"Those discolored eyes are a punishment. I will be lenient; \$2 and costs," said His Honor Monday morning to Richard Decker, of Akron, charged with disorderly conduct. Decker presented two of the most perfectly blue-painted optics ever seen in Barberton. He engaged in a row at a dance and one blow between the eyes did the business.

"Watch the Kidneys"

"When they are affected, life is in danger," says Dr. Abernethy, the great English physician. Foley's Kidney Cure makes sound kidneys.
J. M. Laffer, A. Warner, J. Lamparter & Co.

Bronchitis For Twenty Years.

Mrs. Minerva Smith, of Danville, Ill., writes: "I had bronchitis for 20 years, and never got relief until I used Foley's Honey and Tar which is a sure cure."
J. M. Laffer, A. Warner, J. Lamparter & Co.

Natural Anxiety.

Mothers regard approaching winter with uneasiness, children take cold so easily. No disease costs more little lives than croup. Its attack is so sudden that the sufferer is often beyond human aid before the doctor arrives. Such cases yield readily to One Minute Cough Cure. It liquefies the mucus, allays inflammation, removes danger. Absolutely safe. Acts immediately. Cures coughs, cold, grip, bronchitis, all throat and lung trouble. F. S. McMahon, Hampton, Ga.: "A bad cold rendered me voiceless just before an oratorical contest. I intended to withdraw but took One Minute Cough Cure. It restored my voice in time to win the medal."

The Worst Form.

Multitudes are singing the praises of Kodol, the new discovery which is making so many sick people well and weak people strong by digesting what they eat, by cleansing and sweetening the stomach and by transforming their food into the kind of pure, rich, red blood that makes you feel good all over. Mrs. Cranfill, of Troy, I. T., writes: For a number of years I was troubled with indigestion and dyspepsia which grew into the worst form. Finally I was induced to use Kodol and after using four bottles I am entirely cured. I heartily recommend Kodol to all sufferers from indigestion and dyspepsia. Take a dose after meals. It digests what you eat.

Look Out For Fever.

Biliousness and liver disorders at this season may be prevented by cleansing the system with DeWitt's Little Early Risers. These famous little pills do not gripe. They move the bowels gently, but copiously, and by reason of the tonic properties, give tone and strength to the glands.

Forty Years' Torture.

To be relieved from a torturing disease after 40 years' torture might well cause the gratitude of anyone. That is what DeWitt's Witch Hazel Salve did for C. Haney, Geneva, O. He says: "DeWitt's Witch Hazel Salve cured me of piles after I had suffered 40 years." Cures cuts, burns, wounds, skin diseases. Beware of counterfeits.

A Dozen Times a Night.

Mr. Owen Dunn, of Benton Ferry, W. Va., writes: "I have had kidney and bladder trouble for years, and it became so bad that I was obliged to get up at least a dozen times a night. I never received any permanent benefit from any medicine until I tried Foley's Kidney Cure. After using two bottles, I am cured."
J. M. Laffer, A. Warner, J. Lamparter & Co.

Never Ask Advice.

When you have a cough or cold don't ask what is good for it and get some medicine with little or no merit and perhaps dangerous. Ask for Foley's Honey and Tar, the greatest throat and lung remedy, it cures coughs and colds quickly.
J. M. Laffer, A. Warner, J. Lamparter & Co.

Ira D. Reckard, Duncombe, Ia., writes:

"My little boy scalded his leg from the knee to the ankle. I used Banner Salve immediately, and in three weeks' time it was almost entirely healed. I want to recommend it to every family, and advise them to keep Banner Salve on hand as it is a sure remedy for scalds or any other sores."
J. M. Laffer, A. Warner, J. Lamparter & Co.
